

PreCheck MyScript Provider Benefit

UnitedHealthcare logo

PreCheck MyScript from UnitedHealthcare, helping to simplify the way you prescribe medicine.

Our point-of-care integrated solution is embedded into your existing workflow allowing you to easily view patient coverage, drug costs, and lower-cost alternative medications.

PreCheck MyScript automates the prior authorization process and lets you submit the approval online. No more calling and faxing.

Less administrative hassle helps you save valuable time.

PreCheck MyScript from UnitedHealthcare.

Shouldn't all healthcare be simple?
